IMPORTANT INFORMATION AND CLIENT CONSENT: Please read and sign at the end stating you have fully read and understand the information below.

CLIENT/THERAPIST RELATIONSHIP: You and your Therapist have a professional relationship existing exclusively for therapeutic treatment. This relationship functions most effectively when it remains strictly professional and involves only the therapeutic aspect. Your Therapist can best serve your needs by focusing solely on therapy and avoiding any type of social or business relationship. Gifts are not appropriate, nor is any sort of trade of service for service.

AVAILABLE SERVICES: All Clear Counseling, LLC offers a wide array of counseling services, including individual, family, couples, and group services. I am trained as a licensed professional counselor, a nationally certified counselor and a clinically certified hypnotherapist. Effective psychotherapy is founded on mutual understanding and good rapport between client and therapist. It is my intent to convey the policies and procedures used in my practice, and will be pleased to discuss any questions or concerns you may have.

RISKS AND BENEFITS: Counseling and psychotherapy are beneficial, but as with any treatment, there are inherent risks. During counseling, you will have discussions about personal issues which may bring to the surface uncomfortable emotions such as anger, guilt, and sadness; however the benefits of counseling can far outweigh any discomfort encountered during the process. Some of the possible benefits are improved personal relationships, reduced feelings of emotional distress, and specific problem solving. I cannot guarantee these benefits, of course. However, it is my desire to work with you to attain your personal goals for counseling and/or psychotherapy.

COUNSELING: I provide short-term counseling designed to address many of the issues my clients are dealing with. Your first visit will be an assessment session in which you and I will determine your concerns, and if we both agree that I can meet your therapeutic needs, develop a plan of treatment. Should you choose not to follow the plan of treatment that I provide, further treatment may be terminated.

My goal is to provide the most effective therapeutic experience available to you. If at any time you feel that you and I are not a good fit, please discuss this matter with me to determine if transferring to a more suitable Therapist is right for you. If we decide that other services would be more appropriate, I will assist you in finding a provider to meet your needs.

Wellness is more than the absence of disease; it is a state of optimal well-being. It goes beyond the curing of illness to achieving health. Through the ongoing integration of one's physical, emotional, mental, and spiritual self, each person can create and preserve a whole and happy life. My services are designed to provide my clients an integrated solution for their mind, body, spirit, and life to enhance their lives and resolve issues.

APPOINTMENTS: Appointments are typically scheduled on an as needed basis and are approximately 50 minutes long. More frequent sessions or an intensive outpatient schedule are available if determined appropriate. Once your appointment is scheduled, you will be expected to pay for it (even if it is missed) unless you provide 24-hour notice of cancellation. If you have a health benefits policy, it will usually provide

some coverage for mental health treatment when a licensed professional provides such treatment but your insurance will not pay for missed or cancelled appointments.

FEE SCHEDULE:

Diagnostic & Evaluation Session (1 st visit)	\$136.00 - \$150.00
Regular Office Visits (50 minutes) (Individuals, Couples & Play Therapy)	\$136.00
Hypnotherapy	\$150.00
Outside Office Work (inpatient visits, court, collaborative law services, insurance companies, letters or phone calls to Attorneys concerning you or your children, etc.)	\$300.00/Hr. (Prorated)
Returned check fee per check	\$ 35.00

A reasonable fee will be charged for copies of any records requested by the Client.

PAYMENT/INSURANCE FILING: Payment of fees, including any required co-pays, is expected at the time of each appointment. I request that payment be made before your session begins. If you are using insurance benefits, I will file insurance claims for you, and will honor any contractual agreements with managed health care companies that have specific reimbursement restrictions and claim requirements. Please be aware that most insurance agreements require you to authorize me to provide a clinical diagnosis, and sometimes additional clinical information such as treatment plans or summaries, or in rare cases, a copy of the entire record. This information will become part of the insurance company's files, and in all likelihood, some of it will be computerized. It is best to discuss all the information about your insurance coverage with me, so you can decide what can be accomplished within the parameters of the benefits available to you and what will happen if the insurance benefits run out before you are ready to end treatment. It is important to remember that you always have the right to pay for counseling services yourself if you prefer to avoid involving your insurer. If you are not using a Managed Care/PPO/HMO insurance plan and wish to file your own claim, I expect full payment at the time of service, and I will provide you with a statement for services rendered.

EMERGENCIES: You may encounter a personal emergency which will require prompt attention. In this event, please contact my office regarding the nature and urgency of the circumstances. I will make every attempt to schedule you as soon as possible or to offer other options. Because clients may be scheduled back-to-back, it is not always possible to return a call immediately. However, I will make every effort to respond to your emergency in a timely manner. If your emergency arises after hours or on a weekend, please call 911 if you cannot reach me. If you are experiencing a life-threatening emergency, call 911 or have someone take you to the nearest emergency room for help. When I am out of town, you will be advised and given the name and phone number of a mental health facility.

CONFIDENTIALITY: As a licensed psychotherapist, I follow all ethical standards prescribed by state and federal law. I am required by practice guidelines and standards of care to keep records of your counseling. These records are confidential with the exceptions noted below and in the Notice of Privacy Practices provided to you.

Discussions between a Therapist and a client are confidential. No information will be released without the client's written consent unless mandated by law. Possible exceptions to confidentiality include but are not limited to the following situations: child abuse; abuse of the elderly or disabled; abuse of patients in mental health facilities; sexual exploitation; AIDS/HIV infection and possible transmission; criminal prosecutions; child custody cases; suits in which the mental health of a party is in issue; situations where the Therapist has a duty to disclose, or where, in the Therapist's judgment, it is necessary to warn or disclose; fee disputes between the Therapist and the client; a negligence suit brought by the client against the Therapist; or the filing of a complaint with the licensing or certifying board. If you have any questions regarding confidentiality, you should bring them to the attention of the Therapist when you and the Therapist discuss this matter further. By signing this Information and Consent Form, you are giving consent to the undersigned Therapist to share confidential information with all persons mandated by law and with the agency that referred you and the insurance carrier responsible for providing your mental health care services and payment for those services, and you are also releasing and holding harmless the undersigned Therapist from any departure from your right of confidentiality that may result.

DUTY TO WARN/DUTY TO PROTECT: If my Therapist believes that I (or my child if child is the client) am in any physical or emotional danger to myself or another human being, I hereby specifically give consent to my Therapist to contact any person who can prevent harm to me or another, including, but not limited to, the person in danger. I also give consent to my Therapist to contact the following person(s) in addition to any medical or law enforcement personnel deemed appropriate:

Name

Telephone Number

INCAPACITY OR DEATH: I understand that, in the event of the death or incapacitation of the undersigned Therapist, it will be necessary to assign my case to another Therapist and for that Therapist to have possession of my treatment records. By my signature on this form, I hereby consent to another licensed mental health professional, selected by the undersigned Therapist, to take possession of my records and provide me copies at my request, and/or to deliver those records to another therapist of my choosing.

CONSENT TO TREATMENT: By signing this Client Information and Consent Form as the Client or Guardian of said Client, I acknowledge that I have read, understand, and agree to the terms and conditions contained in this form. I have been given appropriate opportunity to address any questions or request clarification for anything that is unclear to me. I am voluntarily agreeing to receiving mental health assessment, treatment and services for me (or my child if said child is the client), and I understand that I may stop such treatment or services at any time.

NOTE: If you are consenting to treatment of a minor child, if a court order has been entered with respect to the conservatorship of said child, or impacting your rights with respect to consent to the child's mental health care and treatment, Dr. Peed will not render services to your child until she has received and reviewed a copy of the most recent applicable court order.
